- b. list of positions where there were layoffs in 2013 year to date;
- c. list of any of the above positions that are being retained in the proposed 2014 budget;
- d. list of additional positions that are being eliminated in proposed 2014 budget;
- e. list and explain any other changes in personnel in 2014 proposed budget.

Response: OBM provided answer.

Question (#2): Provide an organizational of your department including contact information.

Response: OBM provided answer.

Question (#3): Please provide a list of Shakman positions in your Department's budget for 2013 and projected budget for 2014. Identify which positions are currently vacant.

Response: OBM provided answer.

Question (#4):

Response: OBM provided answer.

Question (#5): For each library in the city, provide the racial and gender breakdown of staff, and identify full-time and part-time positions.

Response: Please see the spreadsheet marked attachment #5.

Question (#6): List of 2013 interns by race, gender, and school.

Response: OBM provided answer.

Question (#7): Breakdown of accounts 123, 140, 149, 154, 157, 162, 164, 166, 168, 178, 196, 197, 340, and 350 for 2012, 2013 year-to-date, projected 2013 year-end, and projected 2014.

Response: OBM provided answer.

Question (#8): Equipment received in 2011, 2012, 2013, and projected for 2014 from Equipment Note and other sources.

Response: CPL did not receive any Equipment Note funding to purchase equipment in 2011-2013 and does not anticipate receiving Equipment Note funding for equipment in 2014.

Question (#9): Identify source and amount of all capital expenditures for the expansion, rehab, or new construction of libraries in 2012 and 2013.

Response: Please see attachment #9.

Question (#10): Circulation figures, reference questions, and interlibrary loan transactions for the Coleman, Sherman Park, and Kelly branch libraries and citywide totals for 2012 and 2013 year-to-date.

Response: CPL does not track reference questions or interlibrary loan transactions by location. The circulation statistics for these locations can be found below:

Location	2012 Circulation	2013 Circulation (Jan-Sep)
Coleman	37,885	26,108
Sherman Park	20,998	15,243
Kelly	18,651	13,753
Citywide Total	9,771,892	7,359,607

Question (#11): Identify updates in CPL’s standard software configuration for all locations or in CPL’s supported applications.

Response: This year CPL upgraded the public computers from Windows XP to Windows 7, Internet Explorer 8 to 10, and replaced LibreOffice with Office 2013 (Word, Excel, PowerPoint and Publisher). CPL also added Gimp and Paint.NET to the public computers. These software applications are used to edit images and photos.

Question (#12): What is the current PC inventory by location?

Response: Please see attachment #12.

Question (#13): Breakdown of each grant received in 2013 and anticipated 2014 grants.

Response: OBM provided answer.

Question (#14): Is there additional expansion planned of the Teacher in the Library Program?

Response: In 2013, CPL expanded its Teacher in the Library homework help program to offer in-person support at all our branches. CPL also added live online one-on-one tutoring as well as self-paced tutorials in subjects from K-12, so that anyone with a library card and an Internet connection can get help understanding homework. As a result, CPL now offers the largest free homework help program in the country. No further expansion of the program is planned at this time.

Question (#15): Kraft Kids Program, what communities are served and how often?

Response: Previously, the Kraft Kids Program was funded by Kraft, through a partnership with the Chicago Public Library Foundation (CPLF). Unfortunately, Kraft ended their 10 year partnership with CPLF in Spring 2013 and; therefore, the program has been eliminated.

Question (#16): Evaluation of the current capital condition of the Sherman Park, Coleman, and Kelly branch libraries.

Response: Below is a summary of the condition of these CPL locations:

- Sherman Park: This branch is in need of a new circulation desk and security cameras, which will be funded through the Illinois State Library Grant project. The building is also in need of masonry, roof repairs, and window replacement.
- Coleman: This branch is in need of new flooring, which will be funded through the Illinois State Library Grant project. The building also needs its HVAC controls replaced and repairs to its doors and windows.
- Kelly: The branch is in need of new circulation desk, which will be funded through the Illinois State Library Grant project. The building also needs its HVAC controls replaced and repairs to its doors and windows.

Question (#17): Is it possible to renew library materials online and/or over the phone?

Response: CPL patrons are able to renew library materials in person, online via CPL's website (www.chipublib.org), and by phone call to any CPL location.

Question (#18): Please provide a list of hours for all CPL locations. (Is the HW Library the only one with extended evening hours during the school year?)

Response: Please see attachment #18 for a list of locations with their hours. The Harold Washington Library Center is not the only location with extended evening hours during the school year. All of our locations have evening hours throughout the year.

Question (#19): Does CPL allows residents to apply for a library card online and if not, are there plans to make this a possibility?

Response: Currently, CPL does not allow residents to apply for a library card online, but CPL is exploring the feasibility of allowing residents to apply for a temporary library card online.

Ref ID: 091 – How many new employees does CPL plan to hire in 2014?

At our recent hearing to discuss the 2014 proposed budget, Alderman Hairston asked how many new employees CPL plans to hire in 2014.

In 2014, CPL plans to fill 26 positions (9 full-time and 17 part-time) that have been added to its budget for YOUMedia and for the new Albany Park and Chinatown branches. In addition, CPL plans to fill any attrition vacancies that may arise throughout the year.
